Board of Directors of Calvary Albuquerque,

It has been my great joy to see the amazing things God has done here at Calvary Albuquerque over the past several decades. I hereby tender my resignation from the Board with sincere gratitude to the people with whom I have co-labored these many years. The future of this fellowship remains in God's hands and I trust He will be your guide as you navigate through the next phase of important decisions regarding the leadership and governance of His church.

In Jesus' strong love,

Skip Heitzig
